Azusa City Council Adopts Emergency Ordinance to Protect Local Residents and Small Businesses

During a special meeting held on April 9, 2020, the Azusa City Council voted unanimously to adopt an evictions moratorium aimed to protect residents and small businesses during these unprecedented times. The moratorium will be in place until the city lifts the locally declared emergency. Those affected by COVID-19 must show proof and will have 14 days from the day the rent is due to inform their landlord of their inability to pay.

“This is not rent forgiveness, it just gives those negatively affected more time to catch up without having to face an eviction due to their inability to make payment,” Mayor Robert Gonzales. Commercial tenants would have until October 31, 2020 to pay back rent missed and residents would have until 12/31/2020. Follow this link for more information:
